Board Meeting in Houston, TX, February, 1999.

The Selkirk Rex were NOT advanced to championship status (and neither were the Ragdolls) at the Board meeting in February. Two cats were present (Raggedy Annie and Sunrise Jubilee), both of which were very good examples of the breed. See other pages for notes gleaned from the Board meeting.

Take a look at those breeds listed above and realize that all of them have been in existence longer than the Selkirk Rex. The fact that our breed, with an extremely limited number of registered cats in CFA (around 400 in

6 years, since 1992) actually presented more cats at the International than some of those more established breeds. Even the Ragdolls and the Sphynx, with much larger groups to draw from, were close in numbers to what we actually entered.

That said, here=s the results:

Best Kitten: Calumet Toni Home Perm
 2nd Best Kitten: Oaktree Sir Camelot
 Best Adult: Wozkatz Wave On
 2nd Best Adult: Sojoy Camelot of SweetMewsic

Selkirk Rex Results from 1998 International

Thanks to everyone who came to the International. The results are listed below. I've separated the kittens from the adults, as they were in the catalog. One note: Be sure to double check your entry forms - check that Provisional is checked and that you indicate either K for kitten or P for premier if they are not whole adults.

Judges were: LA = Larry Adkison, WT = Wayne Trevathan, PD = Pam DelaBar, PJ = Pat Jacobberger, GP = Gary Powell, KE = Kim Everett

Pictures of some of the Selkirk Rex entries.

Notes from the Board Meeting and Elsewhere

1. Don Williams brought up the cat I remember he's been saying for the last three years. Only this year, instead of remembering that it was a long flowing coat with ringlets, he remembers that it had a coat like a Puli (a CORDED coat - dreadlocks for dogs). Wish he would make up his mind.
2. Craig Rothermel only cares about numbers. If you are going to a show where he is judging, take as many as you can, but only show them to Craig. One judge marking ANO on consistency is far better than 4, 6 or 8!
3. Look at the Web page and indicate where you think we need to do more extensive rewriting. Especially look at the FAQ page and see if you can come up with more answers.
4. If you are an artist or if you have pictures illustrating some of the points of our standard, send them to me so I can include them on our web page. Even if the rest of the cat may not meet the standard, I can at least use part of a picture and edit it. I especially need a good, clear picture of a Selkirk from the

side - to illustrate body length, proportions. If you don't have one now, take one. If you are getting your cat's photos taken, ask the photographer for a side shot.

5. The conflict with the breed council notwithstanding, send in your breed council application if you qualify.
6. A board member (a director) has resigned. If you would like to be a director of the Selkirk Rex Breed Club, contact Nancy McMullen
7. Send in your membership renewals to Carolyn Koval, 1204 Fewtrell Ave., Campbell, CA 95008
